User manual (Eng)

It is recommended to read this user manual carefully and keep it for future reference.

Product overview:

Specifications:

- Bluetooth 5.3
- Operating distance: Up to 10 meters
- Frequency: 20Hz-20KHz
- Impedance: 5ohms
- SNR: 93dB
- Distortion: less than 3%
- Charging station: Lithium polymer battery 300mAh
- Earphones: Lithium polymer battery 30mAh
- Charging voltage: 5V
- Working Time: 3-4h
- Charging Time: 1.5h
- Compatible with A2DP.1.3.2 AVDTP.1.3.2 AVCTP.1.4.1 AVRCP.1.6.2, HFP.1.8, HSP.1.2.10.
- Charging cable included

Charging:

Charging station

Use the cable provided for charging. Connect USB cable to the suitable power supply and connect the other end of the cable into the charging port of the charging station.

During charging the orange indicator light will flash. When the charging station is fully charged the indicator light will stay on.

Note: If the earphones are in the charging station, both will be charged at the same time.

Earphones

Place the earphones into the charging station and the charging process will start automatically.

During charging the blue indicators light will stay on.

When the earphones are fully charged the indicators light will turn off.

Note: press SET button at the back to start/Stop the charging for earphone.

Operation:

You can use one or both earphones at the same time.

When you remove the earbuds from the charging station they will synchronize automatically.

If they are turned off, press and hold the multifunction button to power on the earphone until hears a confirmation sound.

This indicates that the device is ready to be paired.

From the Bluetooth menu of your device, search for new devices and select "20295 " to pair. Once they are paired successfully, you will hear a confirmation sound.

Press and hold the multifunction button on one of the earphones for aprox. 5 seconds to turn off the device.

Controls:

Answer/End call:

Short press the multifunction button of any earphone.

Reject call:

Long press the multifunction button of any earphone.

Play/Pause music:

Short press the multifunction button of any earphone.

Next/previous Track:

To go to next track, press twice the multifunction button on the right earphone. To go to previous track, proceed in the same way on the left earphone.

Increase/decrease volume:

Press three times the multifunction button on the right earphone to increase volume. Proceed in the same way on the left earphone to decrease volume.

Troubleshooting

Fault	Solution
Unable to pair up with other devices.	1. Check whether the earphone is still on the process of search or switch it off and on again. 2. There are too many Bluetooth devices in the proximity that cause difficulty in connection. Turn off other Bluetooth devices.
The sound is low or distorted.	4. Check the Bluetooth device's volume and then adjust it to an appropriate level. 5. Recharge the battery.
Occasionally the music stops.	6. Check whether the earphone effective transmission range is exceeded or if there is an obstacle standing between the earphone and other Bluetooth devices.

Warnings:

1. Do not expose this product to rain or damp conditions.
2. Prevent this item from falling as it could cause serious damage.
3. Do not dismantle, repair or modify this product by yourself, contact an authorized specialist.
4. In order to avoid any risk, do not dispose of this product inappropriately or throw it into the fire as there is a built-in Lithium battery.
5. Clean it with a dry cloth.
6. Do not place this item near sources of heat or expose to direct sunlight.
7. Do not insert any metal objects into this device as there is a risk of causing a short circuit in the unit.
8. Excessive sound pressure from earphones and headphones can cause hearing loss.
9. Keep out of reach of children.

 This symbol both in the product and its user manual indicates that at the end of the devices electrical life, it should be recycled separately from your household waste. There are adequate means to dispose of this material for proper recycling. For more information, contact your local authorities.
